Vikings win district baseball title

Photo by Caleb Casey

Grayling High School's varsity baseball team lifts its district championship trophy on Saturday, May 31, at Gaylord High School. The Vikings advanced to the District 34-2 title game with a 3-1 semifinal victory vs. the Benzie Central Huskies on Saturday morning. In the district finals, Grayling defeated the Cadillac Vikings 8-3 to clinch the tournament championship. For more on the baseball team's playoff run, see Page 1B.

Guarantees sought for theme park development

by Dan Sanderson
Staff Writer

The \$161 million theme park planned south of Grayling is stalled as developers and Department of Natural Resource (DNR) officials are awaiting respective written guarantees regarding the sale of land for the project.

Patrick Crosson, a project manager for Axiom Entertainment, has proposed to build the Mainstreet America Inc. theme park on 1,800 acres of land, located east of I-75 and north of Four Mile Road.

The land sale was not on the Natural Resource Commission's (NRC) agenda for its Thursday, June 5, meeting.

Dave Freed, chief of land and facilities for the DNR, said that DNR and Michigan Economic Development Corporation officials are still awaiting documentation that developers have full financing for the project.

"We're still trying to work our way through whether they have the financing or not, and we don't have those details nailed down," Freed said.

In addition, DNR officials are seeking a phased building plan from developers on how the park will be developed. Freed said that the state needs assurances that the theme park portion of the project will be built first.

Black bear causes stir in Grayling

by Dan Sanderson
Staff Writer

The Lord family in Grayling had an unexpected guest when they woke up Friday morning - a 400 pound black bear perched in a maple tree in their backyard.

Lesley Lord was alerted to the bear, located in a tree in a fenced in play area behind their home located at 408 Ionia Street, by the family's barking beagle

"Sophie" and black lab "Jackson," at around 8:45 a.m. on Friday.

Lord said she had a clear view of the bear through a window in a bathroom of the home.

"It took a double take to make sure it was a bear," she said. "I was excited more than I was scared of anything, since we

Road millage placed on November ballot

by Dan Sanderson
Staff Writer

The Crawford County Board of Commissioners gave the green light to place a millage to fund the maintenance and repair of local roads on the ballot.

The Crawford County Board of Commissioners, at its last regular monthly meeting, voted to have a millage proposal, that would fund the Crawford County Road Commission, placed on the Nov. 4 general election ballot.

The five-year, one-mill proposal would fund the reconstruction and maintenance of county roads. The millage, if approved by voters, would generate about \$543,000 per year for road repairs and maintenance.

The same road millage request was defeated by voters in the 2006 November election by a vote of 2,910 to 2,734.

Road commissioners are seeking financial support from Crawford County taxpayers, since state revenues from the Michigan Transportation Fund (MTF), money collected from gasoline taxes, weight taxes and license registration fees, has

been decreasing since 2003. That has resulted in the road commission not replacing employees that have retired and cutting back on equipment purchases and overtime expenses.

Don Babcock, the managing director for the Crawford County Road Commission, said officials are planning for up to an 11 percent decrease in MTF funds this year, which will result in a cut of over \$100,000 for the county road agency.

"There are less people driving so they are buying less fuel which means less revenues from the state," Babcock said.

The road commission only has a pair of projects planned for the this construction season. One project includes reconstructing a two mile stretch of North Down River Road between Wakeley Bridge Road and Stephan Bridge Road. Paving for the project is scheduled for next week.

The other project includes repairing a one and a half mile stretch on North Higgins Lake Drive. The road commission is

Guarantees sought for theme park development

Continued from Page 1A

obtained public lands, and benefited from it without doing the theme park, and we end up with some other type of commercial development," Freed said.

Plans for Mainstreet America Inc. include the construction of retail shopping stores, hotels, a campground and a convention center.

Locally, Crawford County Economic Development Partnership (CCEDP) officials are asking officials and citizens to write letters to state governmental officials urging the DNR to provide a letter to developers saying they will sell the entire tract of land for the project.

Gaila Gilliland, the economic development director for the CCEDP, said representatives

from the Remington Financial Group, a Philadelphia based firm, are seeking the letter before they finalize contracts for the amusement park.

Letters are encouraged to be sent to Gov. Jennifer M. Granholm, Rep. Matt Gillard, D-Alpena, Rep. Joel Sheltrown, D-West Branch, Sen. Tony Stamas, R-Midland, the DNR and the NRC.

"This project is in limbo and the developer needs to know that he can buy the land at the end of the day," Gilliland said.

Dave Stephenson, the chairman of the Crawford County Board of Commissioners and vice president of the CCEDP Board, said that the DNR and developers are also in discussions regarding an escrow

account that would facilitate the sale of the land.

Under initial terms of the proposed agreement, the DNR would agree to release the land for development based on phased financing that the developers would receive as development occurs.

The pact would be mutually beneficial for the state and the developers. Proceeds from the sale of state-owned land goes into an account used to purchase environmentally sensitive property, recreational property and property abutting state-owned land. Stephenson said that the amount of money in the DNR's account to buy land is capped, meaning that funds over the amount eligible could go towards other DNR expenses.

"The DNR is not going to want that to happen, because they can only use those funds to purchase more land," Stephenson said.

Last month, financiers also requested assessments regarding property that was destroyed by the April 24 wildfire that destroyed 1,345 acres of land south of Grayling.

Susan Thiel, the Grayling unit manager for the DNR, said an estimated 390 acres, where the theme park is proposed, was damaged by the fire.

Stephenson said financiers were provided with an aerial view of the property and an overlay of where buildings and amenities are planned to be built on land that was charred by the fire.

Developers are proposing that the park would include roller coasters, a race track, a water park, the world's tallest Christmas tree and Ferris wheel, a World War II aircraft carrier and an area where Christmas is celebrated all year long. They said it would create 2,000 jobs, 700 of which would be full-time positions, and would have an annual payroll of \$25 million.

Grace Center has new director overseeing counseling services

by Dan Sanderson
Staff Writer

A director, who has been handed the reins at the Grace Center, hopes to partner with other entities and organizations in the community as they work to help clients handle their substance abuse and family issues.

Doug Pryor started as the clinical director at the Grace Center in April. He replaced Tom Akalis who resigned, after serving as the Grace Center's clinical director for eight years, to pursue other career opportunities.

The Grace Center is a counseling clinic that offers substance abuse, child, family and personal counseling and does assessments for the courts and other agencies. The center was founded in 1987, as an outreach of St. Francis Episcopal Church, by Father Derek Roy and Bob Smock Jr.

Pryor comes to Grayling after serving as the senior therapist for residential treatment at the Oakdale Recovery Center in Canton. Prior to that, he served as an outpatient counselor for Seaway Hospital in Trenton.

Pryor and his wife Patricia, a data architect in the information technology department for Ford Motor Company, have had a weekend home on the Manistee River for nine years.

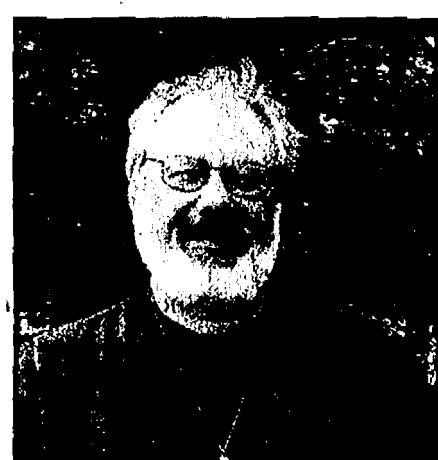

They attended St. Francis Episcopal Church during their weekends in the community.

"Over the years, the church has made several attempts to bring me up, and this last time it seemed like it was the right time to make the move," Pryor said.

As clinical director, Pryor is in charge of supervising and training the Grace Center counselors, serving as a liaison to the community, improving the programs the clinic offers and handling a small case load of clients.

Patsy Jean Clancy and Jody Robson are the Grace Center staff counselors. Carol Moggo serves as the office administrator.

Pryor has a master's degree in education in social studies from the University of Indiana, a master's degree in religious studies specializing in teaching death and dying to children from Orchard Lake St. Mary's,

Doug Pryor

and a master's degree in clinical psychology from the University of Detroit Mercy. Pryor briefly attend a seminary at Wayne State University. He taught religion at an inner city soup kitchen in Fort Wayne and also taught religious classes at the Shrine School in Royal Oak.

"It was during that time I started helping students with their substance abuse problems," he said.

Besides some clients dealing with methamphetamine use, Pryor said that the Grace Center counselors are seeing a typical caseload of clients dealing with alcohol addiction in the area, especially given the current economic struggles.

"Part of our work here is to help people understand what is going on and clarify the changes

that need to be made," Pryor said.

Over the past couple of months, Pryor said he has been meeting with officials with Community Mental Health, the AuSable Free Clinic and other organizations in an effort to determine how each entity can be supportive of each other to serve the community.

"I'm hoping to see the Grace Center thrive, move in some new directions and continue to help the people in the community," Pryor said.

The Grace Center works hand-in-hand with numerous government-funded entities such as Michigan Department of Human Services, Northern Michigan Substance Abuse Services, local courts, Michigan Department of Corrections, Crawford County United Way, and private donors and foundations such as the Alden and Vada Dow Family Foundation, Northern Convocation and Great Lakes Energy. These entities help contain and defray costs to make services affordable and accessible to all who are in need. The clinic also accepts Medicaid and private health insurance.

"If they're not making a lot of

money, we can tailor a fee that will work within their budget and will try to do our best to help them address the issues they are dealing with," Pryor said.

ALMANACK

by Richard Milliman

McClellan book raises several questions

WHEN FORMER White House aides come out with a book, it's often after their bosses have left the presidency. That's the polite and discreet way to do it.

Not with Scott McClellan, former press secretary to President George W. Bush.

In Mr. McClellan's newly published review of his White House service, many of the bodies still are either in place, or remain in other prominence.

Mr. McClellan levels many complaining observations about inside White House procedures, and their consequences. Here are my comments on two of them.

First is his claim that Mr. Bush's justification for going to war in Iraq was based on a continual pattern of lies and misinformation to the public, and that Mr. McClellan was unknowingly a part of spreading those unsubstantiated and misleading reasons.

Second is that the media failed

in their role of critical reporting and questioning analysis of the White House pro-war plotting.

Those around President Bush, then and now, dispute Mr. McClellan's claim of lies and misdirection in starting the Iraqi war.

He doesn't know what he's talking about, goes the stream of the anti-McClellan comments, and if he's disturbed about White House actions, why didn't he do something about it when he was there instead of waiting until he left his job to air his claims and his own confession?

Much of the media, on the other hand, has had far fewer defenders of the McClellan charges of inattention to reality.

AS TO THE first point, Scott McClellan claims he was not told the truth about what was going on in the Iraqi war planning and execution.

Mr. McClellan writes that when he briefed the press and informed

the public during his tenure as presidential press secretary, he was telling the truth as he knew it, only to discover as events unfolded that what he told the press and public was far from factual.

Such lying and misdirection, he writes, were part of a deliberate White House scheme to justify the invasion of Iraq.

As a former gubernatorial advisor and press secretary, I find Mr. McClellan's claims of innocence entirely possible. A press secretary can work only with what he/she knows personally or has been told by superiors.

Although he had been an aide to Mr. Bush since his days as Texas governor, I suspect Scott McClellan simply was not high enough among White House insiders to be included when top-scale decisions were made and rationale for those decisions was developed.

As a consequence, he could only report what he was told by those above him in the pecking

order, and he accepted what he was told as the truth, and passed it on as such.

There are press secretaries, and then there are press secretaries. Some are among the inner circle in plotting strategy and program, some are not.

The president and the White House generally, it appears, did not consider the role of press secretary as part of the decision-making process, but merely as a conduit to the press and public to deliver the message the genuine decision-makers wanted the public to hear, whether it was truthful or not. The end was to justify the means.

WHAT ABOUT the press? Was there laxity in its role as watchdog of public officials? Should the press have been more critical and questioned the White House sooner?

At the time Mr. Bush and his White House decided to go to war in the Middle East, the tenor of

the country was considerably different than it is today.

Public polls in 2001, shortly after the 9-11 attacks, showed 90 percent public approval for going to war in Afghanistan. Americans were gung-ho to do something to strike back for 9-11 at somebody, somehow.

When the invasion of Iraq was fostered a few months later, some skeptics in the press and in the public sounded concern, but much of the public was with Mr. Bush, and the Congress handily had approved the war – a vote several presidential hopefuls in 2007-08 later stumbled around to justify.

My own attitude at that time was a bit skeptical of the war and the White House claims to support it, but offered the benefit of my doubt until it became apparent the White House lied about weapons of mass destruction and the dangers of chemical warfare, and when the ineptitude of our leadership in dealing with what

we had wrought in Iraq became even more obvious.

I do not join Scott McClellan's indictment of the media for letting happen what happened because of lack of vigilance.

Some media analysts were anti-war from the beginning; so were many of the general public. Many of these were columnists and commentators, and members of the public, who find no merit in any action taken by George Bush or any Republican president.

Some of these same critics find no merit in any sitting officeholder, regardless of party or ideology.

But more analysts and much of the public, in my view, were akin to my own approach about the Iraqi invasion – skeptical but hopeful – until events proved our national leadership was both wrong and deceitful.

EDITOR

The old days are gone

To the editor:

Well, it's Friday morning and I just came back from picking up the mail. As I was looking for a place to park on a side street (as the main street was closed from the light to past the bank), I wondered if taking away more parking spaces and making the main street into a two lane road was the correct thing to do.

I'll grant you it's pretty (except for the ugly big gray box on the corner of the post office) and maybe I am wrong as I was told by one of Grayling's dignitaries Wayne Koppa. He informed me that it was a great idea to slow the traffic down for pedestrians and I agree. He also informed me that Grayling and one other northern town were the only two towns without a streetscape plan. He said that the former plan wasn't working and you can tell just by looking at all the empty buildings uptown.

Yes, it looks bad with buildings empty and yes, it is bad for the tourist dollars as there are not many choices for shopping. But, if you want a summer stroll down main street, it's perfect.

Of course if you do decide to shop, you need to plan on extra time for exiting a parking place as the lanes are now one and one half instead of two full ones. It

requires that you have time to wait for the driving lane to empty so you can back out. This will frequently take several light changes and a huge prayer that you can get back to work before your lunch hour is over.

Grayling has unfortunately been on a downhill slide for some time. I've lived here almost my whole life. My business is here. I went to school here, my children went to school here and my heart is here. If you think a streetscape will bring in more dollars you are wrong.

I've watched the military trucks pull down main street and park in the middle to let the troops off. I've watched as some parking areas were put off limits and I've watched this town struggle to survive.

Maybe we need to do what other towns do, and let the snowmobilers drive on the city streets in the winter. Maybe we need to close off one portion of main street twice a month for a farmers market or an antique sale. Maybe, to fill the empty buildings, we need to have limited rent subsidies or bigger tax breaks for new businesses. Perhaps a purchaser of one of the buildings should be given a set time to improve it and open it for the good of the community and

be rewarded with incentives.

It is hard to watch Grayling's historic buildings fall to ruin.

One thing I do know is that we need to have better snow removal now that it is harder to get the snow off the beautiful streets and sidewalks. This would be a time to rethink the Shawono fiasco. It was good for the prisoners and good for the community when the walks were cleared and the opportunity for redemption was available.

As the economy seems to be in jeopardy and the job choices are almost nil, we need to think about the money spent, and the high cost of maintaining this pretty scene.

One thing is for sure, the old days are gone. And with them is some ideas that made it work to Grayling's advantage. If we are to survive on tourist's dollars, then we need to pull our heads out of the cement and loosen some restrictions and give some rewards for new business.

So, as you take your leisurely stroll on the new streetscape walk, think about starting a new business downtown or supporting a downtown business. But most of all, make sure you have enough time to back out of a parking space and get home to cook dinner.

Veterans wanted for July 4th parade

To the editor:

Attention all military veterans, we want you in our July 4th parade.

If you can, and would like to march with us, call Phil Faustman at 348-4771. If you cannot march, we will have transportation for you. If you need a ride to and from the parade, it will be provided.

If you can wear your uniform, that would be special, although not many of us can do that. Let us reserve a place in your honor on this special day.

VIEWPOINT

By Julie Shippy and Ann Scott, TIPDON Northern Michigan's Diabetes Outreach Network

Michigan Diabetes Outreach Network program

Type 2 diabetes is one of the most prevalent, dangerous, yet preventable diseases in Michigan. It is estimated that nearly eight percent of Michigan residents over the age of 18 have this disease, making it the state's sixth leading cause of death.

To lessen the burden of diabetes, the State of Michigan created the Diabetes and Kidney Programs line in its budget. One of the most effective programs to come from this line is the Michigan Diabetes Outreach Network (DON). The DON program consists of six regional networks throughout Michigan which help build community partnerships to strengthen diabetes prevention, detection and treat-

ment.

Despite the program's success, its existence may be in jeopardy. In March, the Senate Appropriations Subcommittee on Community Health proposed to cut the Healthy Michigan Fund almost in half. This fund provides the primary revenue for the Diabetes and Kidney Programs line.

If diabetes programs are cut, fewer resources will be allocated for these effective programs in diabetes prevention, detection and care improvement. Undetected or unmanaged diabetes puts people at high risk for heart disease, kidney disease, amputations and premature death. These programs reach out to the poor and under-

served communities.

If you want to keep the Michigan Diabetes Outreach Network and other effective programs intact, there is something you can do to help. Write to your state representative and state senator and tell them you want Michigan to maintain funding for the Diabetes and Kidney Programs line and the Healthy Michigan Fund.

Your letter could help Michigan residents prevent and manage diabetes, or even save a life.

For more information on diabetes, or to find your local Diabetes Outreach Network, please visit www.diabetesinmichigan.org.

First week of June is National CPR/AED week

In December 2007, Congress passed a bill designating the first week of June "National Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillator (AED) Awareness week". The passing of this resolution shines a national spotlight on how important it is for all Americans to learn critical lifesaving skills such as how to perform CPR, how to use an AED and the need to increase public access to AEDs.

The intention of CPR/AED Awareness week is to bring attention to learning skills that can save lives. The more people who are

trained, the more lives may be saved.

It is estimated that on average it takes 8 to 10 minutes for first responders (9-1-1) to reach a victim. It is essential for members of the community to be trained and certified in lifesaving skills in order to feel comfortable performing CPR and using an AED until advanced help arrives.

Sudden cardiac arrest claims the lives of more than 300,000 people in the U.S. each year. Knowing what to do if it happens to someone you know or love is critical to saving a life. About 1.25 million people experience a heart attack in

the U.S. each year. 500,000 of these attacks result in death. About 250,000 deaths occur within the first hour of the onset of symptoms. More than 160,000 deaths occur before the age of 65. Seventy-five percent of all out-of-hospital arrests occur in the home.

Take time out of your life to receive training and to be prepared to help save the life of a loved one or friend. The American Red Cross has CPR/AED training classes scheduled weekly at the West Branch Regional Medical Center. Call 1-800-691-6059 and register now. "Change a life, starting with your own!"

VIEWPOINT

By Kirk Wakefield, Crawford County Sheriff

Make sure vessels are sea-worthy before launching them

Sheriff Wakefield wants Crawford County residents to stay safe on the water this summer by performing a vessel safety check now.

"While most people are aware they need to keep their automobiles in good running order, it sometimes doesn't occur to them to check their boats before the season gets underway," says Sheriff Wakefield.

Boat owners should take the following steps to ensure their vessels' safety.

Make sure there is one life jacket for every person on board, in

good condition, and properly fitted. Check for discoloration, dry rot and mildew, popped seams and tears in the fabric; make sure the straps, buckles and zippers still work.

Check your equipment to ensure it is in good working order. This includes items like visual distress signals, sound-producing devices, navigation lights, bilge pumps, ventilation blowers and fire extinguishers.

Check to make sure your navigation charts are on board and updated to the most current conditions.

Sheriff Wakefield encourages boat owners to have the Coast Guard perform a free vessel safety check. Vessel examiners will check the boat for mechanical safety as well as verifying the proper safety equipment is on board. They can also offer recommendations on how to outfit vessels to comply with federal and state laws and regulations.

"By taking the proper precautions now, you can prevent tragedy later," said Sheriff Wakefield. "Take personal responsibility for your safety and enjoy a summer on the water."

Early sign-up event to be held for Redskins football

The AuSable Football League (Grayling Redskins) is now accepting registrations for players and cheerleaders for the upcoming 2008 season. The league will host an early sign-up event from 6-8 p.m. on June 13 at Redskin Field, which is located at the Crawford County Fairgrounds. The event will be held in building three.

Redskins football and cheer-

leading squads are open to boys and girls in grades 3-8, ages 8-14.

Physicals are required for AuSable Football League participants before they may practice. Practices are scheduled to begin on August 4.

If you have any questions, contact Bud or Judy Morgan at 348-2548.

Dairy Days and Murder Theatre to be held at Wellington Farm

On June 14 and 15, Wellington Farm USA near Grayling will host one of its more popular events, Dairy Days.

On that weekend, the 60-acre living history farm will demonstrate how dairy products were made from scratch right in the farm kitchen. Demonstrations of butter making, cheese making, ice cream making and other milk products will be ongoing throughout both days. There will also be demonstrations of cream separation and several interesting artifacts, associated with the dairy aspect of farming, will be on display.

In addition to the dairy demonstrations, the entire Depression era complex will be open and demonstrations will be presented in the Blacksmith Shop, the Carpenter shop and the Grist Mill. A narrated shuttle ride will transport visitors into and out of the park, which will provide participants an opportunity to see and hear about the entire farming complex.

On Saturday evening, June 14, Wellington Farm Park and Deadwood Productions will host their first Murder Mystery Dinner Theatre of the season. "The Widow Makers Lament" will set the stage for the entire season as a dastardly deed is committed at a logging camp during Michigan's heyday of lumbering.

Who committed the murder is

for the audience to determine. As the play unwinds, members of the audience will be asked to join the actors on stage. They will be provided costumes and a script and will portray one of the witnesses, one of the suspects, or even perhaps, the murderer.

It's all a great deal of fun and it is accompanied by a fully catered evening meal, typical of the meals served in a logging camp of course. Reservations for the Murder Mystery are a must and they can be made by calling 348-5187 or 888-653-3276. If no one answers, leave a message stating the number of reservations, the name and a phone number. Price of the full evening's entertainment is \$30 per person.

Wellington Farm USA is a 60-acre living history complex depicting life on a typical Midwestern family farm during the Great Depression. The farm is located at 6940 South Military Road between Higgins Lake and Camp Grayling. It is easily accessed from US-127, I-75 and M-72. The farm also has a General Store which is fully stocked with produce items, jams and jellies, gift items, tee shirts and hats. Fresh farm baked pies and cinnamon rolls arrive every Friday morning and are offered for sale until they are gone. Wellington Farm USA is owned and operated by Wellington Farm Park Inc., a nonprofit corporation.

Summer concerts to begin at the Roscommon CRAF Center Gazebo

The Roscommon Steel Drum Band and the Catch and Release Blues Band will kick off the summer concerts at the Gazebo, on the CRAF Center lawn in Roscommon, on June 11, at 7 p.m.

This Steel Drum Band is comprised of parents only directed by Seth Kilbourn. They practice year round, performing at various venues in the area. They are a very talented group and are proud of their accomplishments.

The Catch and Release Blues Band has been performing all over northern Michigan, specializing in Chicago and Delta Style blues. They feature a mix of songs from classic blues artists like John Lee Hooker, Muddy Waters and Howlin' Wolf. Entering their fifth year together, they have a varied and diverse musical background. Seth Kilbourn, on percussion, is a very talented teacher at Roscommon High School. Tim Harris, on keyboard, guitar and vocals, brings many years of experience to the group. Kevin Tingstad, on lead guitar, has a background in jazz and rock. Don Mick, on bass, has

The Charter Township of Grayling recognizes the services of The Grayling City/Twp. Fire Department

women who make community a safe place to live
In our daily jobs, these people often put their lives on the line so that our lives and property are safe.

Whereas, the Grayling City/Township Fire Department is charged with protecting the lives and property of all township residents from the perils of fire.

Whereas, the individual fireman readily and routinely risk their own lives in that pursuit for very little compensation.

Whereas, to succeed with their charge, the individual fireman must maintain a professional level of dedication and training to form a cohesive team each and every time they face a fire.

Whereas, the individual members of the Grayling City/Township Fire Department maintain a high level of structure, discipline, and readiness.

Therefore Be It Resolved, that the members of the Grayling City/Township Fire Department be recognized for their service to the community and the Charter Township of Grayling.

Grayling City/Township Fire Department Recognition Day through the Charter Township of Grayling. On all township residents to thank a local fireman.

The Bible Speaks

Righteousness Of Law

How can a sinner be declared righteous in the presence of a Holy God? This is the most important question every human must know to be saved. Those trusting the death, burial, and resurrection of Jesus Christ for their sins have found the answer. Those justified by faith in Jesus Christ face "no condemnation" from God's law. (Rom. 8:1); no legal control because they are "free from the law" (Rom. 8:2); no failure under law because of the finished work of Jesus Christ in the flesh; (Rom. 8:3); and no unrighteousness under law because of the righteousness of Jesus Christ imputed to them. (Rom. 8:4) "That the righteousness of the law might be fulfilled in us, who walk not after the flesh, but after the Spirit."

First, we must know the perfection of God's righteousness. Jesus said in Matthew 5:20 the most religious men in the world did not have this righteousness: 20For I say unto you, That except your righteousness shall exceed the righteousness of the scribes and Pharisees, ye shall in no case enter into the kingdom of heav-

en." Paul said in Philippians 3:6 he lived blameless under law/righteousness. But He declared in Philippians 3:9 he found God's new righteousness: "And be found in him, not having mine own righteousness, which is of the law, but that which is through the faith of Christ, the righteousness which is of God by faith." "4For Christ is the end of the law for righteousness to every one that believeth." (Rom. 10:4). "21I do not frustrate the grace of God: for if righteousness come by the law, then Christ is dead in vain." (Gal. 2:21).

Second, we must know the provision of God's righteousness in us by proxy through His Son. "4That the righteousness of the law might be fulfilled in us..." Notice the words are "in us" and not "by us." "4For Christ is the end of the law for righteousness to every one that believeth." (Romans 10:4). It is not by our works of righteousness, but by our faith in Him. (Eph. 3:8,9). He is our righteousness. "30But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption." (1 Cor 1:30). "10For with the heart man believeth unto righteousness; and with the mouth con-

fession is made unto salvation." (Romans 10:10). Our righteousness is a gift of God's grace. "17For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ." (Romans 5:17).

Third, we will walk in the practice of righteousness if we are justified by Him: "...who walk not after the flesh, but after the Spirit." "25If we live in the Spirit, let us also walk in the Spirit." (Gal 5:25). We are both saved and kept by grace alone. "4Christ is become of no effect unto you, whosoever of you are justified by the law; ye are fallen from grace." Therefore we walk after the Spirit because God's grace teaches us to do so: "11For the grace of God that bringeth salvation hath appeared to all men, 12Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world." (Tit. 2:11,12). Therefore, we live right, not to be saved, but because we are saved. Pastor "B"

Canadian Steak and Fish Co. opens in Grayling

by Dan Sanderson
Staff Writer

A new restaurant has opened its doors in Grayling to satisfy seafood and steak lovers.

The Canadian Fish and Steak Co., located at 2552 South I-75 Business Loop, opened on Memorial Day. The restaurant is in the same location that housed The Moose Pub.

The Canadian Fish and Steak Co. is owned by veteran restauranter Steve Conklin and his partner Greg Rusinko. The men are grade school and high school buddies from Swartz Creek, and opened up their first Canadian Steak and Fish Co. restaurant in Fenton two years ago.

Conklin has attended classes through the Culinary Institute of America. He has served as the vice president of a national restaurant company which was involved in establishing Wendy's, TGI Fridays and Golden Corral restaurants across

the country. He also founded the National Restaurant Corporation, a business that opened restaurant operations ranging from college bars to upscale steak houses.

Conklin said the business partners believed it was a good fit to locate in Grayling and they were attracted to the building. He said the location also helps the business cater to tourists and business travelers.

"We felt it was a good fit and we have a lot of childhood memories coming up to Grayling and Higgins Lake and canoeing on the river," Conklin said.

Besides some minor remodeling and adding some signage and decor, Conklin said the building was in ideal condition. New plaid carpet will soon be installed to add to the ambience.

"It will kind of give it that up north feel," Conklin said.

The Canadian Fish and Steak Co. features Calgary Angus steaks, which are cut in house. The restaurant offers six kinds of fresh fish.

"From the time the fish is caught to the time it's served, it only takes 48 hours," Conklin said.

The Canadian Fish and Steak Co. features all you can eat fish on Friday, crab legs on Saturday and rib eye steaks on Tuesday. Kids eat for free on Mondays with the purchase of an adult dinner. The restaurant will soon begin serving a brunch on Sunday.

The Canadian Fish and Steak Co. started with a staff of 35 to 40 experienced restaurant employees, including manager Patti Sajdak, who operated Patti's Towne House at that location for 18 years.

Over the next year, the Canadian Fish and Steak Co. plans to add banquet dining facilities and more parking at the restaurant, which will increase the number of employees to 65 people.

"If we keep doing our jobs, they should do well for themselves here," Conklin said.

Black bear causes stir in Grayling

Continued from Page 1A
were in the house."

Lord called her sons Gavin, age 6, and Kameron, age 4, to come and look at the bear, and took a photo of their backyard guest. She then tried to get in touch with her husband, Joel Lord, who is an employee for Hal's Masonry Inc. Joel's boss, Hal Leas, told Lesley to call 911. Both Leas and Joel thought she was seeing a large cat or another wild animal, but soon showed up to find it was indeed a bear. Joel had to leave for a job site in Harbor Springs.

Grayling City Police Officer Jon Mueller responded to the scene, and requested that Department of Natural Resource (DNR) wildlife biologists and officers come to corral the critter.

DNR officials asked Lesley to take the dogs into the home and try to get them to quit barking. When she was unsuccessful in quieting the black lab, she was asked to put the dog in the family van and drive down the street.

Mark Boersen, a DNR wildlife biologist, attempted to sedate the bear by shooting it with tranquilizer darts.

Photo by Dan Sandersen

DNR officers, Grayling City Police and Crawford County Sheriff's Deputies blocked off the roads and deterred dozens of onlookers who were attracted by the activity or had heard about the bear in the area.

"It had a perfect perch up there and even if it went to sleep, it wouldn't fall out," Lord said.

Eventually, Boersen used four darts to get the bear to fall asleep, since the darts don't contain much drugs and it was difficult to get a clean shot.

"I prefer to go a little on the light side rather than too much," Boersen said.

Lord said she saw the bear yawning, drooling and breathing heavy, but did not hear it growl or do any other vocalization.

"He just sat up there and had a comfortable little spot," Lord said.

DNR officers, Grayling City Police and Crawford County Sheriff's Deputies blocked off the roads and deterred dozens of onlookers who were attracted by the activity or had heard about the bear in the area. They were concerned that the bear would get agitated and also wanted to give the tranquilizer a chance to work.

Lord, who home schools her children, said they retrieved the "Audubon's Field Guide to

Identifying Mammals" and marked off the section regarding black bears.

"I thought that was pretty cute for them," she said.

Around 1 p.m., the bear fell asleep. A DNR officer climbed a ladder and put a rope around the bear's neck. It was then lowered onto a tarp. Several officers then carried the bear to a special wildlife transport cage.

The bear was taken to a large block of undisclosed state-owned land shortly after it was retrieved from the tree.

"There was a lot of time, expense and manpower spent capturing the bear, but that's what we do and that's what we're here for," Boersen said. "We wanted to do what was best for the bear and the people."

Boersen said the bear was a male, and estimated it weighed between 350 and 400 pounds. He said it was likely hungry after coming out of hibernation and was looking for an easy meal. Boersen removed a front tooth to help determine the age of the bear

and placed a tattoo on its lip to help identify the bear.

Boersen said that people should avoid putting garbage out until the morning before trash pick up. He also said that people should avoid having bird feeders that are accessible to bears, and to clean up the bird feed that is spilled around the feeders.

"If you feed birds, you're likely to end up feeding a bear as well," Boersen said. "That's really a hard pill to swallow for people who like to feed the birds."

Lord said her family is not full of avid hunters. Lord moved to Grayling from urban Birmingham, Ala., and this was the first time she has seen a wild bear up close.

"It's just pure city," she said. Besides having a couple of seat belts chewed up by the dog, Lord said having the bear drop by was an exciting experience for her family.

"It was a once in a lifetime experience, and it makes you wonder why the bear chose our backyard and our tree," she said.

Road millage placed on November ballot

Continued from Page 1A

receiving \$300,000 from the state for that project, since the road is used to access the North Higgins Lake State Park.

"That's not costing us a dime and we're not spending any of our money on that," said Ken Riehle, chairman of the Crawford County Road Commission board.

The road commission typically likes to reconstruct 8 to 10 miles of road per year, but has to save up just to repair a couple of miles under the current economic conditions. There are over 40 to 50 miles of roadway in the county that need to be repaired.

"Without the additional funding, we are going to fall farther behind, and the roads are going to be in worse condition than they already are," Babcock said.

The road commission is considering grinding up the gravel on Wakeley Bridge Road to use it as a base, then maintaining it as a gravel road to prevent people from driving on the shoulders or down the middle of the road to avoid potholes.

"We just can't afford to keep patching it anymore and it's become a safety issue," Riehle said.

The road commission recently lost four employees due to two retirements and one resignation from an employee who is moving out of the state. They are only replacing two employees.

Riehle said that road commission employees only work four 10 hours days to cut costs. He added that employees are also conscious to curb costs for the agency.

"They're not out there with one guy digging a ditch and two guys holding a shovel," he said.

If voters give the millage a

thumbs up, projects planned by the road commission include:

- Wakeley Bridge Road from M-72 to Conners Flat Road.
- Chase Bridge Road from Pere Cheney Road to M-72.

- County Road 612 between Hartwick Pines Road and Lovells.

- Old-76 (South Grayling Road) from North Higgins Lake Drive to Dort Road.

- Fletcher Road from Old-76 to Military Road.

- Hartwick Pines Road from M-93 to County Road 612.

- Sherman Road from County Road 612 north to the Waters Landfill.

- Fletcher Road from Military Road to the Kalkaska County Line.

- Military Road from North Higgins Lake Drive to Fletcher Road.

- County Road 612 from Stephan Bridge Road to Lovells.

- County Road 612 from Frederic west to the Kalkaska County Line.

Babcock said the list of projects is not set in stone, and the road commission will continue to pursue additional federal and state funds for special projects or circumstances.

Road commission officials plan to form a nonprofit campaign committee to educate the public about the millage, since road commission funds cannot be spent to promote the ballot issue. They also plan to speak with area civic organizations about the millage and the issues the road commission is facing.

"If people want better roads, the roads they're looking at today are what they are going to have until we get some more money coming in," Riehle said.

The Crawford County Board of Commissioners, at its last regular monthly meeting, voted to have a millage proposal, that would fund the Crawford County Road Commission, placed on the Nov. 4 general election ballot. Road board considers plan to grind Wakeley Bridge Road

by Caleb Casey
Senior Staff Writer

The Crawford County Road Commission's board of commissioners is considering a plan to turn part of Wakeley Bridge Road from a paved road into a gravel road until the Road Commission has enough money to repave it.

The plan involves grinding Wakeley Bridge Road from M-72 to the bridge. The poor condition of the pavement on Wakeley Bridge Road is proving to be costly for the Road Commission due to the need for patching maintenance, and board members have acknowledged that the condition of the road is a safety issue.

"We spend a lot of money patching that road. The price of patching materials has gone up," said Ken Riehle, chairman of the Road Commission's board of commissioners. "It's kind of up in the air what to do with that road. We haven't really made a decision to grind it down, but we're looking closely at that."

"It's really the thing to do for it now. It would make it a lot safer, that's for sure," said John Hartman, vice-chairman of the board.

The Road Commission board has received feedback on the plan from citizens at its two most recent meetings. People have spoken in favor of the plan and against the plan. People against the proposal cited health issues involved with dust that could result from the road being switched from pavement to gravel. People in favor of the plan said a temporary gravel road would be safer than the pothole-ridden pavement that is currently in place.

Road Commission Managing Director Don Babcock said he is in favor of grinding the road to gravel until the Road Commission is able to pay for the reconstruction project that is necessary; however, Babcock and members of the board want to solicit more input on the plan from people who live on or near Wakeley Bridge Road, since they are the ones who have to drive the road on a regular basis.

In an effort to gather feedback, the Road Commission will be sending surveys to residents in the Wakeley Bridge Road area, Babcock said.

"Surveys will be mailed out this week," Babcock said.

Exchange students enjoy stay in Grayling

**by Dan Sanderson
Staff Writer**

A pair of exchange students participated in graduation ceremonies at Grayling High School (GHS) on Sunday, as they started wrapping up their stay in the community.

Jan Fried, age 17, and Max Kluge, age 18, were hosted by Mike Shearer as exchange students for the school year.

Fried, of Prague in the Czech Republic which has a population of 1.3 million people, and Kluge, of Bremen, Germany, which has a population of 700,000 people,

said they enjoyed the quiet life of a small town and the nature and the wildlife in the Grayling community.

"I enjoyed meeting new people and friends, and getting to know a new culture," Fried said.

Both students participated on the GHS soccer and track teams, and enjoyed the classes and different school environment in Grayling.

Fried said he enjoyed fishing, snowboarding, shopping and gained an interest in the NBA and the NHL.

Both students said they opted to be exchange students to get exposed to a different culture and improve their English speaking skills.

Kluge said America's affinity with fast food made an impression on him.

"We have fast food, but we don't eat it every day," he said. Fried's mother, Katerina

Friedova (an ova is added to the end of woman's name in the Slovakian language), and Kluge's mother and brother, Birgit and Alex, came to Grayling to be part of their graduation ceremonies and to visit with their teachers.

"I could feel that he did very well and it's been a very incredible experience for him to come to this country," Katerina Friedova said.

Besides communicating through e-mails and phone calls, this was the first time the students have seen their loved ones since last summer.

"I'm proud Max was able to stay by himself, without his family, and learn about the culture in this country," Birgit Kluge said.

Kluge received a tribute from Sen. Tony Stamas, R-Midland, as the April student of the month. He was nominated by GHS teachers for the recognition.

The students will cap off their stay in the United States with a trip to New York City, where they will take in a professional soccer game while their families enjoy a Broadway play. They will then travel to Washington D.C., where they will tour the White House, and will then tour the Blue Ridge Mountains in Pennsylvania.

Fried said he looks forward to taking in New York City.

"I'm going to see the most interesting thing about America, I think," he said.

Shearer has hosted 24 exchange students in Grayling over the years.

"It's been great and a lot of fun having these two young men here for the year," Shearer said. "It's nice to see them grow as individuals, and it's a win-win for the kids of Grayling who get some exposure to different countries and different cultures."

Baseball team defeats Cadillac, Benzie Central to win district title

Grayling wins championship game 8-3 vs. Cadillac

■ Vikings advance to district finals with 3-1 victory vs. Benzie Central Huskies

by Caleb Casey
Senior Staff Writer

Grayling High School's varsity baseball team won its third ever district championship – its first since 1993 – with victories vs. the Benzie Central Huskies and Cadillac Vikings on Saturday, May 31, at Gaylord High School.

The Vikings played Benzie Central in the District 34-2 semifinal round on Saturday. The start of the contest was delayed for more than an hour due to rain showers on Saturday morning and poor field conditions caused by Friday night's rainstorm.

In the top of the first inning, starting pitcher Richie Schreiber got the first two batters out with a pop-up and a strikeout. The third batter singled, but Schreiber picked him off at first base for the third out.

Josh Stapleton, the leadoff hitter for GHS, reached base with a walk. A bunt pop fly, a fielder's choice grounder, and a pick-off at first base ended the inning.

Two pop flies and a strikeout ended Benzie Central's second inning in order.

For Grayling, Rocky McNamara walked with one out. Eric Ferrigan singled up the middle to put runners at first and second. The fourth batter of the inning struck out. An errant pick-off throw by Benzie got past second base and went into center field. McNamara scored on the play and Ferrigan advanced to second base. Jimmy Osga walked, and the next batter flied out to center field to end the inning.

Grayling led 1-0 after two innings.

The Huskies led off the third inning with a bunt. A throwing error resulted in the runner advancing to second. A pick-off throw to second base went into center field and the runner went to third base. The Huskies executed a squeeze play. The runner scored from third on the bunt, and the batter was safe at first on the play. A sacrifice bunt moved the runner to second. With two outs and a runner on second, Benzie grounded out to Ferrigan at third base to end the inning.

Grayling grounded out twice and flied out once to end its half of the third inning. The game was tied at 1-1.

Only one runner reached base in the next inning, and the score remained tied at 1-1 after four innings of play.

A strikeout and two ground ball outs ended Benzie's fifth inning, one-two-three.

Osga singled up the middle with one out for Grayling. Benzie got a strikeout for the second out. Osga stole second base. Stapleton then hit what appeared to be a triple, and Osga scored on the play. Benzie Central appealed to the officials that Stapleton failed to touch second base, and the umpire in the field upheld the appeal.

Vikings fall to Benzie Central in district softball semifinals

The GHS varsity softball team's 2008 season came to an end on Saturday with a 9-0 loss to the Benzie Central Huskies in a District 34-2 semifinal game at Gaylord High School.

"Any loss is disappointing, however, giving up nine runs off of just three hits stings a little

more. We didn't make good contact with our bats and Benzie made the easy plays," Coach Keri Brock said.

Joni Bindshatell pitched all six innings for GHS. She allowed three hits and seven walks and finished with three strikeouts.

Offensively, Alyssa Lewis was

1 for 3 with a double. Kirstie Wakeley was 1 for 3 with a single.

"We say goodbye to four seniors that made great contributions to this program. They did everything asked of them and have helped resurrect Grayling softball. I appreciate their efforts and

expect great things from them in the future," Coach Brock said.

(The team's four graduating seniors are Monica Peters, Megan Etzler, Gabby Calkins, and Rachel Ward.)

Grayling finished the season with a 4-10 league record and a 10-25 overall record.

Shortstop Kirstie Wakeley, left, catches a ball at second base for a force out during Saturday's district game against Benzie Central. Alyssa Lewis, right, runs to first base on Saturday.

Soccer team ends season with 2-1 shootout loss in districts

The GHS girls soccer team

ended its 2008 season with a 2-1 loss to Oscoda at Roscommon in the District 48-3 semifinals. The contest had to be decided with a penalty kick shootout after 110 scoreless minutes.

Both 40-minute halves of regulation ended in a 0-0 score. The game was also scoreless after two sudden death overtime periods, so the contest went to a shootout.

Grayling converted one of its five penalty kick opportunities. Peggy Currison scored the goal for the Vikings.

Oscoda converted two of five penalty kicks to win the game by a final score of 2-1.

"The game was a shutout for regulation and two golden goal overtimes. The game came

down to a five-player shootout. Four of our five shots were stopped. The single goal was scored by Peggy Currison! Eva Clark, our keeper, had 18 saves during the game and held off three of the five shots for Oscoda in the shootout," Coach Loren Cobb said.

"We have had an encouraging season with improvement in every game. Our season started with a 0-0 tie to Kalkaska, and winless for the duration of the season. As strange as this may sound, this was a move in the right direction," Coach Cobb said. "Our players fought hard in every game, showing improvement each time we played a team. This is most clearly seen in our last game of

the regular season. We played Traverse City Liberty, a very talented team. Our first game of the season we were defeated 8-0 with about 17 minutes left in the game. We had one or two runs at their goal, but no real opportunities to score. This time we played a very different game. Although we did lose 3-0, we had a half-dozen opportunities where their keeper made good saves to hold us scoreless. Our senior captains, Jessie Baker and Renee Clair, both had hard shots near the end that their keeper was able to get a hand on and deflect. Our team shows great promise and potential for growth. I can't wait to see how they perform next season."

Track athlete wins Gaylord meet award

Hailey McMahon, a member of the GHS girls track and field team, won two events - the 100-meter dash and 200-meter dash - at last Tuesday's Gaylord Herald Times Meet of Champions, and was named "Most Outstanding Athlete" of the event.

Grayling's 400-meter relay

team and 800-meter relay team both took second place. The 400-meter relay squad consisted of Jamie Hagerman, Annie Melroy, McMahon, and Brianna Kirk. The 800-meter relay group included Hagerman, Kirk, Rachel Ward, and McMahon.

"Hailey had a dominating per-

formance today. She was very focused and knew what she wanted today. Both relays lost to Gaylord. We knew we were going to be challenged by them and they were very impressive. Both relays gave everything they had and we simply lost to a much better team," Coach Tim Gariglio said.

MAKING THE STREAM & LAKE MAP OF MICHIGAN

The STREAM & LAKE MAP OF MICHIGAN resembles another map—known to Pennsylvania anglers as the "Lost Stream Map." The "Stream Map of Pennsylvania" was completed in 1965 after a thirty-year effort by Howard Higbee, a former Penn State Professor.

Professor Higbee succeeded in creating a map of the highest detail possible—a map that shows every stream and lake. He painstakingly plotted by hand, the location of 45,000 miles of streams onto a 3 by 5 foot map.

The map sold extremely well—until it was lost several years after it first appeared in print. Incredibly, the printer entrusted with the original drawing and printing plates, declared bankruptcy, then carelessly hauled Higbee's 30 years of work to a landfill.

The few remaining dog-eared copies became a prized fisherman's possession. Professor Higbee was offered \$400 for one of his last maps. And state agencies were forced to keep their copies under lock and key.

Experts told Professor Higbee that reprints were impossible, because the maps were printed in non-photographic blue.

Then, in 1991, at the age of 91, Howard Higbee's dream came true. Computers made it possible to reprint the map. Holding an updated map, Howard said, "I never thought I'd live to see this day."

Then, by combining Professor Higbee's knowledge with computer technology—the STREAM & LAKE MAP OF MICHIGAN was created.

RICHIE SCHREIBER & ZACH WOLCOTT

"Zach moved up to varsity to catch and did an outstanding job behind the plate in the doubleheader against Kalkaska, catching both games and collecting a hit. He then caught the first district game and played outstanding for a freshman. Richie won his last three appearances, boosting his record to 10-6. He had 19 strikeouts and gave up only four hits in his last 15 innings on the mound, giving up three earned runs," their coach said.

resulting in the third out. The run counted, however, and Grayling led 2-1 after five innings.

Benzie Central struck out, grounded out, walked, and flied out to left field to end its half of the sixth inning.

In the bottom of the sixth, Taylor Desenfants walked to lead off the inning. A pinch runner for Desenfants got picked off at first base for the first out of the inning. Schreiber doubled, and Tyler Hanson replaced him on the base paths as a courtesy runner. A balk by Benzie's pitcher moved Hanson to third. The Vikings tried a squeeze play. With Hanson on his way home, Geo Bindschatel got the bunt down and Hanson scored on the play. Rocky McNamara singled, and the next batter flied out to end the inning.

Grayling led 3-1 going into the top of the seventh (final) inning.

Schreiber struck out the first two Benzie batters. He also struck out the next batter, but the ball got by the catcher on the third strike and the runner advanced to first base. The next batter flied out to Ethan Neuberger in right field, and Grayling won 3-1.

Schreiber picked up the win. He finished with seven strikeouts and two walks.

"We played one of the best games of the season. The key was no errors, and executing plays to perfection," Coach John Schneider said.

In the other semifinal game, Cadillac defeated Gaylord 9-7, setting up a district championship contest featuring the Grayling Vikings and Cadillac Vikings.

Desenfants, the starting pitcher for Grayling, got off to a good

start with a one-two-three first inning. The inning included a strikeout, a ground out, and a fly out.

Grayling also went out in order in the first inning.

Cadillac started the second inning with a double to right field. Grayling got the first out with a ground ball. An error on the play resulted in a run for Cadillac. Two ground ball outs ended the inning. Cadillac led 1-0.

Bindschatel walked. Hanson, a courtesy runner for Bindschatel, stole second base. The next two batters flied out. Peter Alexander walked and Jacob Aubry was hit by a pitch, loading the bases. A ground ball got Cadillac out of the inning.

Cadillac singled to lead off the third inning. A fielder's choice play got the lead runner at second. Cadillac stole second. On a ground ball, Grayling got the lead runner in a rundown for an out, but the batter advanced to second base on the play. The next batter hit a triple to drive in another run. Grayling intentionally walked the next batter, and a ground ball out ended the inning.

Stapleton was hit by a pitch to start the bottom of the third inning. The next three plate appearances for Grayling resulted in outs. GHS trailed 2-0 after three innings.

With one out, Cadillac reached base on an error. A ground ball resulted in a second out. An overthrow on a pick-off attempt moved the runner to third base. The runner scored on a bloop single to center field. A ground ball out ended the inning. Cadillac led 3-0.

Grayling responded with a three-run fourth inning. McNamara led off the inning

with a double to right field. Ferrigan reached base with an infield single, and McNamara advanced to third. Alexander singled to left to drive in McNamara. A sacrifice bunt by Aubry put runners at second and third with one out. Ferrigan scored on a sacrifice fly by Osga. Stapleton doubled with two outs to drive in Alexander. A ground ball ended the inning. The score was tied at 3-3 after four innings.

Cadillac led off the fifth inning with a double. Schreiber replaced Desenfants as the pitcher for Grayling. The runner advanced to third on a ground ball out. Grayling issued an intentional walk to the next batter. Schreiber and McNamara, the first baseman, picked the runner off at first for the second out of the inning. A ground ball out got Grayling out of the inning.

Bindschatel walked with one out, and Hanson — a courtesy runner for him — came in the game and stole second. Hanson advanced to third on a fly out, and scored on an infield single by Ferrigan. Alexander singled to right, but the next batter struck out to end the inning.

The Grayling Vikings led 4-3 after five innings.

With one out, Cadillac had runners at first and second after a walk and a base awarded due to catcher's interference. Schreiber and McNamara picked off the runner at first for the second out. Schreiber struck out the next batter to end the inning.

Grayling scored four runs in the bottom of the sixth inning. Osga led off with an infield single. Stapleton doubled to put runners at second and third. Both runners scored on a throwing error to first base. Schreiber singled to left, putting Desenfants at

third and Andy Hulbert, a courtesy runner for Schreiber, at first. Hulbert stole second. Bindschatel grounded out, but Desenfants scored on the play. McNamara grounded out, but got an RBI on the play with Hulbert crossing the plate. Ferrigan doubled. The next batter flied out to end the inning, but Grayling led 8-3 going into the top of the seventh (final) inning.

Schreiber struck out the first two Cadillac batters. A fly out to Stapleton in center field ended the game.

Grayling won 8-3, and clinched its first district title for baseball in 15 years.

"The win ended a long drought for the Vikings in the districts. It's been 15 years since we won a district, and 31 years before that. We have only won two district titles in school history in baseball — 1977 and 1993. It has been a great season for the kids. They worked hard and deserved the title. Assistant coaches (Dan) Desenfants and (Rob) Aubry worked very hard this season and deserve a lot of credit for the time they contributed," Coach Schneider said.

Grayling (21-14 overall, 9-5 league) will play Escanaba on Saturday, June 7, at 12 p.m. at Benzie Central in the Region 9-2 semifinals. The other semifinal game will feature Big Rapids and Ogemaw Heights.

Split at Kalkaska results in 2nd place league finish

■ Varsity baseball team wins game 1 vs. Blazers 6-2, but Kalkaska wins game 2

The Grayling Vikings defeated the Kalkaska Blazers 6-2 in game one of last Tuesday's varsity baseball doubleheader at Kalkaska, but the Blazers won the second game by a final score of 6-2.

Richie Schreiber pitched a complete game for the Vikings in game one of the series. He allowed one earned run on three hits and finished with eight strikeouts.

At the plate, Schreiber was 3 for 3 with 3 RBIs. Rocky McNamara was 1 for 3 with two RBIs. Taylor Desenfants was 2 for 2 with two runs scored and one RBI. Zach Wolcott was 1 for 3 with one run scored. Peter Alexander was 1 for 3.

Desenfants and Schreiber pitched for Grayling in game two's 6-2 loss. The Vikings committed four costly errors in the contest.

Leading hitters for GHS were: Josh Stapleton, 1 for 2; Schreiber, 1 for 3, 1 RBI, 1 run scored; Eric Ferrigan, 2 for 3, 1 RBI, 2 stolen bases; Desenfants, 1 for 3; McNamara, 1 RBI.

The loss in game two clinched the league title for Elk Rapids. Grayling finished second in the Lake Michigan Conference with a 9-5 league record.

On Saturday, May 24, the Vikings posted a 1-1 record at the Alpena Tournament.

Grayling lost to Sault Ste. Marie 19-4.

Leading hitters for GHS were: Schreiber, 1 for 1, 1 home run, 4 RBIs, 1 run scored; Desenfants, 2 for 2, 1 run scored; Stapleton, 1 for 2, 1 stolen base; Jimmy Osga, 1 for 1.

The Vikings defeated the Charlevoix Rayders 7-3 at Alpena.

Desenfants, the starting pitcher, picked up the win. He allowed two earned runs on five hits and five walks. Schreiber pitched the final inning.

Grayling's leading hitters

were: Schreiber, 2 for 4, 2 RBIs, 1 run scored; Luke Schneider, 1 for 2, 1 run scored; Ethan Neuberger, 1 RBI.

JV baseball team ends year with sweep vs. Kalkaska

**■ Vikings finish 2008
season with 18-8
record after 13-5, 7-2
victories over Blazers**

The GHS junior varsity baseball squad concluded its 2008 season with a 13-5, 7-2 series sweep vs. the Kalkaska Blazers last Tuesday at Grayling High School.

Jensen Aubry was the winning pitcher for Grayling in game one. He allowed five hits and three walks in five innings, and finished with 11 strikeouts.

Tyler Hanson, the winning pitcher for GHS in game two, struck out eight batters in five innings. He scattered seven hits and two walks.

Leading hitters for Grayling in the series were: Hanson, 3 for 7; Jake Helsel, 4 for 7; Ethan Lewis, 3 for 4; Aubry, 3 for 6; Joey Contreras, 3 for 6; Joe Tottingham, 2 for 5; Matt Hellebuyck, 3 for 3.

"(We) finished (the) season with a strong presence on the mound and at the plate. The team played well and are deserving of their record," Coach Rob Aubry said.

The Vikings finished the season with an 18-8 overall record

and an 8-4 record in league games.

The team's May 22 doubleheader vs. Gladwin was canceled due to a scheduling conflict.

The Vikings lost both games of a doubleheader at Alpena on May 20. The Wildcats won 12-5, 13-3.

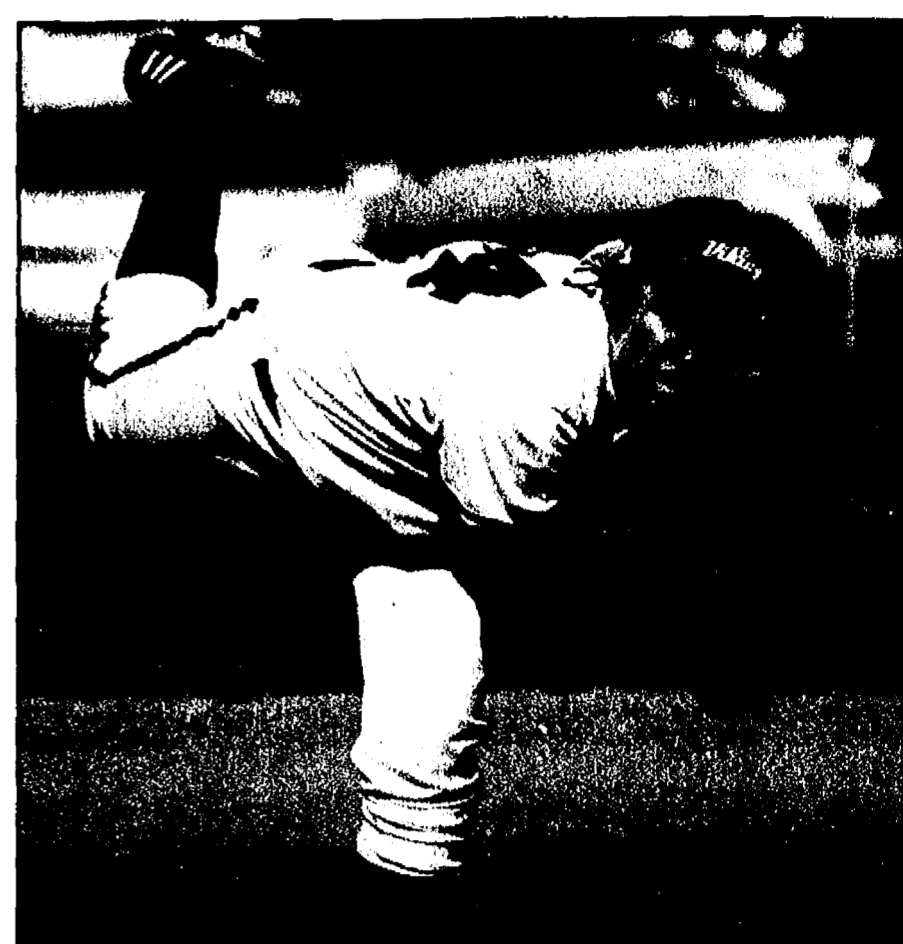

"We managed to score first in both games, but couldn't match the firepower of the Alpena team. We ran into some early pitching trouble and spotted Alpena too many runs to overcome in game one," Coach Aubry said. "In game two, they had nine hits to our five, and were able to get more runners across home plate."

Grayling swept the Roscommon Bucks 13-1, 7-6 in a series played at GHS on May 19.

Aubry pitched a one-hitter for Grayling in game one. He finished with eight strikeouts.

"Another excellent start for Jensen Aubry, who limited Roscommon to one hit in five innings while striking out eight," Coach Aubry said. "Jensen helped his cause with a three-run home run he hit to left center in the bottom of the first inning. The Vikings never looked back."

Tottingham was the winning pitcher for GHS in the second

Jensen Aubry pitches against Roscommon.

game. He struck out nine batters and walked one in six innings.

"Joe Tottingham appeared on the mound for the fourth time this season, holding the Bucks to six runs. A late rally in the bottom of the sixth inning won it for us. With one out, Ethan Lewis doubled in Hanson and Helsel for the tie, and then Jensen Aubry

singled in Lewis for the win. The boys played hard and never gave up," Coach Aubry said.

Leading hitters for Grayling in the doubleheader were: Hanson, 4 for 7; Helsel, 4 for 7; Aubry, 5 for 6; Lewis, 2 for 6; Contreras, 3 for 4; Willy Ryan, 2 for 6; Hellebuyck, 1 for 5; Tottingham, 2 for 5.

Golf team qualifies for regionals, falls short of state finals

by Eric Rutter
Special Writer

On Thursday, May 29, the Grayling High School boys golf team traveled to Big Rapids for regionals. At Katke Golf Course, a 302 by Big Rapids took the victory out of a 12-team field. Grayling finished

sixth (338), just four strokes from advancing to the state finals.

In the last match of the year for Grayling, Taylor Desenfants and Josh Johnson led the team with 80 strokes each. Rocky McNamara shot an 83 over 18 holes. Trent Larm (95) and Jordan Helsel (108) rounded out the team for GHS.

"Everybody on varsity played really well at one point throughout the season," said Coach

Mark Rutter. "We just never managed to get everyone playing well on the same day. Considering the youth on our team, our upcoming seasons hold promise for greater success."

The golf team traveled to Buelah on Thursday, May 22, to compete in districts. Out of a 10-team field, Charlevoix took first place with a score of 328. Roscommon and Grayling placed second and third, shoot-

ing 342 and 346, respectively.

"As a whole, we were solid throughout the day," said Coach Rutter. "The team played well enough to get the job done."

Desenfants and Larm led Grayling, each shooting 85 over 18 holes. McNamara and Johnson finished with 88 strokes each.

"To qualify for regionals, you must place sixth or higher at districts, which we did," said Coach Rutter.

GRAYLING COUNTRY CLUB NEWS

Submitted by Sherry Hanson
Wednesday Ladies League

May 28 was our first actual day of league play and it felt great to be out and enjoying the beautiful sunshine.

Jeannette Kitchen had a great round as usual with a birdie on hole #16. Two other gals had chip-ins, Nancy Hoffman on hole #16 and Sherry Hanson on

hole #18. Jeannette also came in with a low net of 33 and tied with Shelly Cohee for low putts of 16 for Flight A.

In Flight B, Balkis Shippy and Sherry Hanson tied with a low net of 35, while Balkis and Ann Latusek also had a tie of 15 low putts.

In Flight C, Diana Doremire had a low net of 35 and miss

putts. Mo McNamara had low putts of 16.

Our lunch choices were seafood Cobb salad, which was wonderful, while others enjoyed the turkey swiss croissant.

Donna Thomson will be back, joining us next week after her successful cataract surgery, so I guess that's all "fore" now.

Charles Hass, a detective for the Crawford County Sheriff's Department, was attending a training seminar at Kalkaska, when he heard Kalkaska detectives talking about a pair of suspects in several breaking and enterings. Haas compared notes with the Kalkaska law officers and discovered the suspects fit descriptions for several Crawford County breaking and enterings. The Kalkaska County Sheriff's Department nabbed the suspects on a breaking and entering in progress call and Crawford County joined in the investigation. The Crawford County Sheriff's Department recovered items valued at more than \$1,500 believed to have been taken in four breaking and enterings along Fletcher Road. Other items, ranging from saws, drills, tools, freezers and other household goods, were recovered from Prudenville.

The largest herb farm in northern Michigan held a grand opening on Friday to show its more than 200 species of herbs. Cerelli's Herb Farm, operated by Patrick and Diona Cerelli, is located just north of Frederic on Old 27 and has an astonishing display of a variety of plants. There is also a spice shop with more than 150 herbs and spices, teas, oils and other supplies.

A pollution study of Lake Margrethe found most septic systems along the lake are not degrading the water. Four isolated cases were found, however, where septic systems were probably the cause of reduced water quality. The study found a high level of nutrient pollution entering the lake near a year-round residence in Portage Lake Park Subdivision. A new mound of wastewater system was installed at the site in 1983. The mound had been installed as far away from the lake as possible, but apparently a stream is now picking up the discharge of nutrients from the mound system and is transporting them rapidly into the lake. The study recommended channeling the small stream through solid pipe from a road culvert to the lake to solve the problem.

Chemical Bank North announced that Sharon Niebrzdowski has been promoted to assistant cashier, Andrea Weiss was promoted to assistant cashier and assistant branch manager of the Roscommon office and Wendy Bennett-Wiltse has been appointed administrative assistant in the customer service area and the employee benefit program.

As of Friday, June 15, the City of Grayling will close and abandon the present city dump site and open the sanitary land fill project, located south of M-72 and east of the I-75 expressway. The project was not opened as soon as originally planned due to the length of time taken to construct a new road to the landfill.

On May 30, Memorial Day 1962, a Scramble Tournament was played at the Grayling Golf Course. Over 30 people enjoyed the afternoon activities. The first place team with a score of 68 for eighteen holes was Don Akers, Jack Gunderson, Eunice Slusser and Eleanor Holtcamp. The second place team with a score of 69 consisted of Dr. Leonard Allison, Harry Young, Isabelle Allison and Jessie Young and the third place team, with a score of 70, was Jim Brown, Dick DuBois, Bill Ann Brown and Ann DuBois.

Two members of the Kiwanis Club of Grayling left this week to be in attendance at the International Convention of Kiwanis in Denver, Colo. Lt. Governor Arthur Clough will represent the Houghton Lake club and Leslie Hunter is the representative of the Grayling club.

Mr. Fred Bear returned home after several weeks of hunting in Alaska with Robert Munger of Charlotte. He brought home a 9-foot Kodiak bear which he shot with a bow and arrow in the Alaskan peninsula.

Grayling and the vicinity was visited by a severe storm Wednesday afternoon, the wind

playing havoc for a few minutes. At Lake Margrethe it is reported that the storm took cyclone proportions and tore across the lake in what seemed to be two twisters. The porch of the A.M. Lewis cottage was torn completely off and tossed over the roof against the trees at the rear of the house.

Lack of power Wednesday put the Avalanche in the hole by keeping the linotype and presses idle. The power was off for over two hours.

Grayling was in quite a jitter last Friday when Jack Dempsey, famed pugilist, spent the day here. He arrived about midnight on Thursday and was a guest of Harold (Spike) MacNeven for the day.

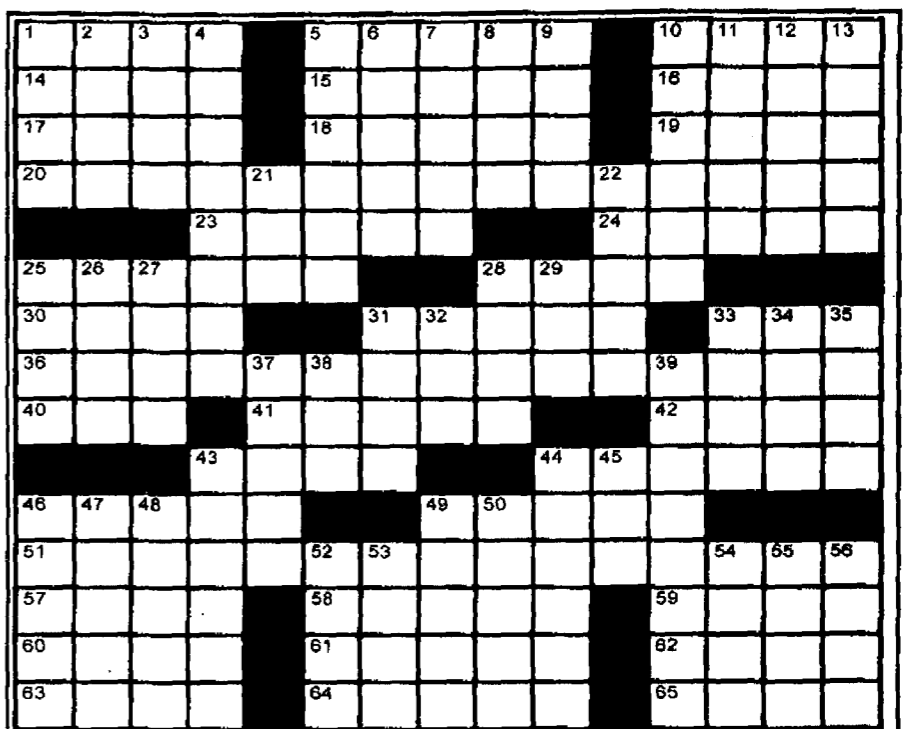

Horace Shaw is having a fine new cottage built at Lake Margrethe, located on the lake front next to the Oscar Hanson property.

The Chris Johnson lumber camp, some 11 miles west of Grayling, was burned completely out Saturday night, May 27. Mr. Johnson had about 50 men employed and was getting out lumber for Salling, Hanson and Co. The origin of the fire is unknown.

T.E. Douglas has just received and installed a new refrigerator, which is the only one of its kind, having drawn his own design and having it made to order. It has 39 individual fish drawers.

RECIPE OF THE WEEK

Banana Cream Pie

- 1/4 cup sugar
- 2 tablespoons corn starch
- 1/8 teaspoon salt
- 2 cups milk
- 4 egg yolks
- 1/4 cup light corn syrup

- 1 teaspoon vanilla extract
- 1 tablespoon butter or margarine
- 1 to 2 medium bananas
- 1 prepared graham cracker pie crust, or baked pie crust
- whipped cream, optional

Mix sugar, cornstarch and salt thoroughly in a heavy saucepan. Whisk milk, egg yolks and corn syrup together; add to sugar mixture and stir well to combine. Heat over medium heat, stirring constantly until mixture comes to a boil, about 8 to 10 minutes. Remove from heat and stir in vanilla and butter. Slice bananas into bottom of pie crust. Pour filling over top; let cool 10 minutes. Cover with plastic wrap and chill several hours or overnight before serving. Top with whipped cream, if desired.

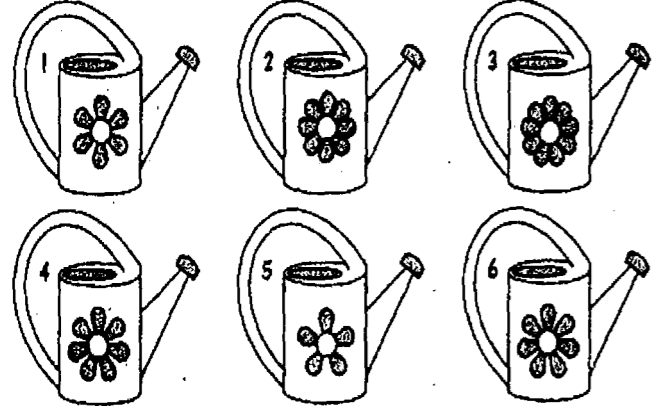

Prep Time: 10 Min
Cook Time: 10 to 15 Min
Chill Time: 2 hours

Makes 11 1/2-inch Pie

Seven Lab/Pit Bull Puppies

These seven little Lab/Pit Bull mixed pups are looking for loving new homes. They have just turned eight weeks old, have had their first puppy shots and have been wormed. These are sweet, happy, rolly poly babies with loads of love to give and lots to learn. We are looking for adopters who have the time and desire to train a puppy.

HOROSCOPES

For the week of June 5, 2008

December 22-
January 19

A friend becomes jaded. Leave them alone. Capricorn. There is a reason behind their behavior, and they will return to their old sunny self in no time.

March 21-
April 19

Uh-oh, Aries. The pursuit of a hobby gets in the way of a matter of importance. Let this be a lesson to you to curtail your obsessions and manage your time better.

June 22-
July 22

Life has dealt you a good hand. Now it's time for you to help others. Cancer, and you may want to start with an organization in your backyard.

September 23-
October 22

Be careful, Libra. A crisis in faith will bring you to your knees if you let it. Your strength is much to be admired and will soon be relied upon by others.

January 20-
February 18

Freedom comes at a price this week. Be prepared to pay your dues, Aquarius. A relative finds a new place to live. Help them celebrate the good news.

April 20-
May 20

Wishin' you were someplace else? Stop dreaming and start doing something about it. It really is up to you to make life happen. Get a move on, Taurus.

July 23-
August 22

Growing tired of the budget crunch? Look to a trusted associate to help you find a way to increase your earning power and alleviate some of your worry, Leo.

October 23-
November 21

Controversy reigns at work this week. You will be given the task of damage control, Scorpio. Work behind the scenes. Fancy strikes at home and an excursion beckons.

February 19-
March 20

Watch out, Pisces. A love triangle heats up. Steer clear of the hoopla, else you could be pulled in the middle and become part of the fallout. An ad points you in a new direction.

May 21-
June 21

The chase for a piece for your collection begins. Be prepared to go the distance, Gemini, and the prize will be yours. All eyes are on you to transform a project.

August 23-
September 22

Oh, my, Virgo. A well-established relationship begins to show signs of wear. Work quickly to repair the damage and all will be well. A news flash puts you on guard.

November 22-
December 21

A relative breaks a promise. Don't rant and rave, Sagittarius. You gambled and you lost. Get over it and turn your attention to an assignment at work.

Woman becomes nicer person after using Thera-Gesic®

BEXAR COUNTY—Normally grumpy Mary Ann W. was named "Nicest Person In Bexar County" just weeks after using Thera-Gesic® on her sore wrist. When asked about the new fresh outlook, she painlessly replied, "None of your dang business!"

Go painlessly with Thera-Gesic®

I am a one way motorway
 I'm the one that drives away
 then follows you back home
 I am a street light shining
 I'm a wild light blinding bright
 burning off alone

it's times like these you learn to live again
 it's times like these you give and give again
 it's times like these you learn to love again
 it's times like these time and time again

I am a new day rising
